

Residency Requirement

A-074

Modified Date: 3-26-2009

The Board of Fire Commissioners believes it is important that all active firefighters be able to respond alarms within an effective time-period.

Therefore all active members of the Union Vale Fire Department are required by the Board of Fire Commissioners to have a primary residence either within the Town lines or within Two (2) road miles of the town lines.

Any active member as of January 2009 is grandfather in even if they currently live outside the boundaries.

A member who has been in good standing as an active member of the Fire District for five (5) or more years who moves outside of the two (2) mile limit can remain an active member of Union Vale Fire District as long as they are within five (5) road miles of the town lines.
