

TREATING MINORS

E- 015

DATE: 2-23-2006

Union Vale Fire District members may be called to scenes where the patient is a minor and a parent or legal guardian is not with them. This situation shall not delay the treatment or transportation of the patient. A police agency shall be called to the scene and attempts shall be made to locate a parent or legal guardian. At no time shall a minor be allowed to refuse medical treatment and or transportation (RMA).
